Bachelor of Arts in Theatre Production/Design | Expected Graduation Date: May 2025 | Susquehanna University| Selinsgrove, PA

- Relevant Coursework: Theatrical Design Fundamentals, Scenic Design, Lighting Design, Stage Management, From Page to Stage, Intro to Arts Leadership, World Theatre, Scenic Production, Stagecraft, Independent Study: Lighting Technology

RELEVANT EXPERIENCE

Lead Electrician | Susquehanna University Theatre Department | 2023 – Present

- Ensure lighting fixtures and equipment are in suitable condition for use in shows
- Maintain lighting fixtures, including moving lights
- Research and coordinate the purchase of materials required for a show, such as cable, gel, lighting accessories, fog and haze, etc.
- Coordinate the hang and focus of light plots throughout the show season
- Oversee and assist the Scenic Production class in learning to hang and focus lights, write cues, and cut gels.
- Write show lighting cues during tech rehearsal as directed by the faculty Lighting Designer
- Monitor lighting equipment for performance and safety during show runs, and perform maintenance on any out-of-order lighting equipment as necessary
- Coordinate the disabling of smoke detectors when fog and haze effects are required for a show
- Upload Vectorworks scenic models to Augment3d to aid in programming shows before a plot is hung
- Maintain availability to board op any and all department shows if an emergency arises
- Train inexperienced students on the ETC Ion XE board, emphasizing cue writing, RDM menus for the begging and end of a run, writing cues, adjusting parameters, programming intelligent lighting fixtures, etc
- Teach newer lighting technology innovations to our faculty lighting designer, ie. Augment3d, moving light operation, recording palettes (focus, color, intensity).

Cast Member | Walt Disney World – Magic Kingdom – Attractions | May 2024 – August 2024

- Maintain safety in operations of *The Many Adventures of Winnie the Pooh* and *The Mad Tea Party*
- Provide a positive guest experience, resolving various issues or concerns related to the My Disney Experience app, Disability Access Service, Return to Queue options, wheelchair accessibility
- Perform routine walkthroughs of attractions, visually verifying all show elements are functional, and reporting failure to leadership
- Balance courtesy and efficiency, providing meaningful guest interactions and assisting with requests while ensuring a maximum number of guests are able to experience the attraction.
- Fireworks control, ensuring guest safety during nighttime spectacles by performing crowd control work, restricting designated areas until deemed safe by pyrotechnic cast.

Electrician | The Book of Mormon National Tour | Williamsport, PA | Spring 2024

- Worked with IATSE stagehands and tour electricians to unload and hang truss
- Tasked to assemble a small team in order to hang moving lights from the balcony rail
- Focused front-of-house lighting fixtures as directed by the tour stage manager
- Completed the deconstruction and load-out of all scenic and lighting elements

Educator | Lululemon | Danbury, CT | Winter 2023

- Informed guests' purchasing decisions with valuable product knowledge. Counted and managed inventory, ensuring all items were up to quality standards.
- Maintained a clean and welcoming atmosphere in the store by greeting all guests, sorting products, keeping the sale racks organized, and managing try-on racks
